INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44**Authority For Civil Cover Sheet**

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

I. (a) Plaintiffs-Defendants. Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.

(b) County of Residence. For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)

(c) Attorneys. Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".

II. Jurisdiction. The basis of jurisdiction is set forth under Rule 8(a), F.R.C.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.

United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here.

United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.

Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.

Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; federal question actions take precedence over diversity cases.)

III. Residence (citizenship) of Principal Parties. This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.

IV. Nature of Suit. Place an "X" in the appropriate box. If the nature of suit cannot be determined, be sure the cause of action, in Section VI below, is sufficient to enable the deputy clerk or the statistical clerks in the Administrative Office to determine the nature of suit. If the cause fits more than one nature of suit, select the most definitive.

V. Origin. Place an "X" in one of the seven boxes.

Original Proceedings. (1) Cases which originate in the United States district courts.

Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441. When the petition for removal is granted, check this box.

Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.

Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.

Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.

Multidistrict Litigation. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407. When this box is checked, do not check (5) above.

Appeal to District Judge from Magistrate Judgment. (7) Check this box for an appeal from a magistrate judge's decision.

VI. Cause of Action. Report the civil statute directly related to the cause of action and give a brief description of the cause. **Do not cite jurisdictional statutes unless diversity.** Example: U.S. Civil Statute: 47 USC 553
Brief Description: Unauthorized reception of cable service

VII. Requested in Complaint. Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P.

Demand. In this space enter the dollar amount (in thousands of dollars) being demanded or indicate other demand such as a preliminary injunction.

Jury Demand. Check the appropriate box to indicate whether or not a jury is being demanded.

VIII. Related Cases. This section of the JS 44 is used to reference related pending cases if any. If there are related pending cases, insert the docket numbers and the corresponding judge names for such cases.

Date and Attorney Signature. Date and sign the civil cover sheet.

- (a) The clerk of court will assign cases to tracks (a) through (d) based on the initial pleading.
- (b) In all cases not appropriate for assignment by the clerk of court to tracks (a) through (d), the plaintiff shall submit to the clerk of court and serve with the complaint on all defendants a case management track designation form specifying that the plaintiff believes the case requires Standard Management or Special Management. - (c) The court may, on its own initiative or upon the request of any party, change the track assignment of any case at any time.

- (e) Nothing in this Plan is intended to supersede Local Civil Rules 40.1 and 72.1, or the procedure for random assignment of Habeas Corpus and Social Security cases referred to magistrate judges of the court.

**SPECIAL MANAGEMENT CASE ASSIGNMENTS
(See §1.02 (e) Management Track Definitions of the
Civil Justice Expense and Delay Reduction Plan)**

Special Management cases will usually include that class of cases commonly referred to as "complex litigation" as that term has been used in the Manuals for Complex Litigation. The first manual was prepared in 1969 and the Manual for Complex Litigation Second, MCL 2d was prepared in 1985. This term is intended to include cases that present unusual problems and require extraordinary treatment. See §0.1 of the first manual. Cases may require special or intense management by the court due to one or more of the following factors: (1) large number of parties; (2) large number of claims or defenses; (3) complex factual issues; (4) large volume of evidence; (5) problems locating or preserving evidence; (6) extensive discovery; (7) exceptionally long time needed to prepare for disposition; (8) decision needed within an exceptionally short time; and (9) need to decide preliminary issues before final disposition. It may include two or more related cases. Complex litigation typically includes such cases as antitrust cases; cases involving a large number of parties or an unincorporated association of large membership; cases involving requests for injunctive relief affecting the operation of large business entities; patent cases; copyright and trademark cases; common disaster cases such as those arising from aircraft crashes or marine disasters; actions brought by individual stockholders; stockholder's derivative and stockholder's representative actions; class actions or potential class actions; and other civil (and criminal) cases involving unusual multiplicity or complexity of factual issues. See §0.22 of the first Manual for Complex Litigation and Manual for Complex Litigation Second, Chapter 33.

STATEMENT OF FACTS COMMON TO ALL COUNTS

8. On April 28, 2011, Plaintiff's girlfriend, Julie Kerner, was scheduled to graduate from Michigan University and partake in the ceremony held by the University. At that time, Julie Kerner's brother, Steven Kerner, was a student at Penn State University, located in the Commonwealth of Pennsylvania.

9. Plaintiff agreed to pick up Steven Kerner from his Pennsylvania residence on or near Penn State University's campus, and then travel to Michigan University to witness his girlfriend's graduation ceremony.

10. On April 28, 2011, Plaintiff was driving through Pennsylvania in an automobile, en route to pick up Steven Kerner from his Pennsylvania residence so that the two could travel to Michigan University to witness Julie Kerner's graduation ceremony.

11. On his way to pick up Steven Kerner, at approximately 11:30 a.m. on April 28, 2011, the automobile Plaintiff was operating was pulled over by Officer Murphy on State Road 322 in Walker Township, Pennsylvania.

12. At that time, Officer Murphy informed Plaintiff that his reasoning for pulling over the vehicle was because Plaintiff was speeding. Officer Murphy asked for Plaintiff's license and registration, and inquired into Plaintiff's intended destination.

13. Plaintiff provided his license and registration to Officer Murphy and informed the Officer that he was traveling to Penn State University to pick up his girlfriend's brother so that the two gentlemen could travel together to Michigan University to witness his girlfriend's graduation ceremony.

14. Officer Murphy went to his police vehicle and, when he returned to the driver's side of Plaintiff's vehicle, he stated he had reason to believe that Plaintiff was a criminal from New Jersey.

15. Plaintiff is not a "criminal" from New Jersey, and Officer Murphy never informed Plaintiff as to the basis for his statements to the contrary. Officer Murphy had no basis for believing that Plaintiff was a criminal from New Jersey when he initiated the stop or when he made such statements to Plaintiff.

16. While this exchange between Officer Murphy and Plaintiff was taking place, another police vehicle arrived driven by defendant Officer Guido.

17. During the motor vehicle stop, Officer Murphy ordered Plaintiff out of the vehicle and then proceeded to search Plaintiff's persons and effects. Plaintiff did not provide consent to this search and there were no circumstances presented to either Officer on scene that would justify a warrantless search of Plaintiff's persons and effects. Plaintiff was pulled over for speeding and had undertaken no action that would warrant a belief that Plaintiff was in possession of a weapon or any type of contraband, or that Plaintiff posed a safety risk to the Officers on scene.

18. Officer Murphy's unlawful search of Plaintiff's persons revealed nothing; Plaintiff was not found to be in possession of any weapon, illicit substance, paraphernalia, or other form of contraband that would warrant any further interaction with Plaintiff.

19. Notwithstanding the fact that Plaintiff had been pulled over for speeding and Officer Murphy's search of Plaintiff revealed no contraband, the Officers did not let Plaintiff get back into the automobile. Instead, Officer Guido asked for Plaintiff's permission to search the vehicle Plaintiff was operating. Plaintiff did not provide consent to this search.

20. After Plaintiff refused to consent to a search of the vehicle, Officer Guido advised Plaintiff that a drug dog would be sent to the location within the next thirty minutes.

21. At this time, instead of issuing a traffic summons to Plaintiff for speeding, Officer Guido and Officer Murphy instructed Plaintiff that he could not return to his vehicle and had to wait outside of the vehicle, while they waited for the drug dogs to arrive at the scene.

22. Notwithstanding Officer Guido's statements to the contrary, the drug dog did not arrive at the scene of the traffic stop within 30 minutes of Plaintiff's refusal to consent to the search of the vehicle. Instead Plaintiff was forced to wait outside of his vehicle for three and one half (3½) hours for the drug dog to arrive, which was finally transported to the scene of the traffic stop by Defendant Officer Lucia.

23. At no point during this three and one half (3 ½) hour traffic stop was Plaintiff free to leave. Plaintiff was forced to stand outside of his vehicle for the entirety of this three and one-half (3½) hours while waiting for the drug dog to arrive at the scene.

24. Once the drug dog finally arrived, Officer Lucia walked the dog around Plaintiff's vehicle multiple times before the dog allegedly "alerted" the Officers to a smell inside the vehicle.

25. Subsequently, Officer Guido advised Plaintiff that the vehicle would be towed at Plaintiff's expense and that they were going to obtain a search warrant to search the vehicle.

26. At this time, Plaintiff provided his consent for the officers to search the vehicle.

27. Officer Guido then searched Plaintiff's vehicle, and importantly, this search revealed that Plaintiff was not in possession of any illegal contraband; no weapon, illicit substance, paraphernalia, or other form of contraband was discovered in the automobile or on Plaintiff's person at any point relevant hereto.

28. After Officer Guido concluded his search of Plaintiff's vehicle -- more than three and a half hours after he was pulled over for speeding -- Plaintiff was finally allowed to leave.

29. As a direct and proximate result of the above, Defendants caused Plaintiff to suffer significant indignities and other damages and deprived Plaintiff of his rights and privileges under the United States Constitution.
